

CSO Control Project Year 3

Project Information Meeting

WHEN: Monday, June 5, at 6 pm

WHERE: Peoria Public Library Lincoln Branch, Hot Air Balloon Room, 1312 W. Lincoln Ave.

Overview:

This project will impact residents in the outlined area on the backside of this handout. Please join us to learn more about the Year 3 Combined Sewer Overflow (CSO) Control Project.

- Learn about the design plans and concepts
- Discuss neighborhood drainage issues
- Have Q&A with project managers, engineers, and more
