RE: Grant No. MD-21-CD-29 Granite Avenue Drainage

Dear Ms. Stone:

The Town of Port Deposit has been working diligently with our engineering firm, RK&K and USDA to complete the Granite Avenue and Race Street Drainage project.

Due to unforeseen delays with the COVID-19 pandemic and a request from Artesian Water for additional test holes to locate their water line before they would approve the stormdrain location on Race Street, the Town is requesting an extension of the grant referenced above.

We anticipate the Request for Proposal will be released in February 2023 and the bid award and construction will begin by June 2023. If you have any questions, please contact me at 410.378.2121 or via email to vrinkerman@portdeposit.org.

Sincerely,

A handwritten signature in black ink, appearing to read "R. Kuhs", is written over the word "Sincerely,".

Robert Kuhs
Mayor
Town of Port Deposit
