Application Process

- Application form outlining academic standing, extra-curricular activities, work experience, and colleges and/or technical schools applied to.
- Essay of no more than 500 words that addresses the following: Share about your journey back to college to study in the A/E/C industry and how you hope to put people first in your professional life.
- One letter of reference from non-family members (must be current as of the past 6 months).
- Unofficial transcript.

Awards

Up to 2 students will be awarded \$3,000 each. This is a one-time award. Scholarship should be applied to payment of tuition, room and board, and other educational expenses such as books. Once a student has received an award, Mead & Hunt will follow up with the scholar to provide networking and other opportunities with our staff who can help with advice, guidance, or support in the student's career.

Application Deadline

Applications must be received by March 1. Scholarship winners are notified in late spring of the application year.

Selection Process

Scholarship recipients will be selected by a diverse panel of Mead & Hunt employee judges. Scholarship awards will be based on, but not limited to, academic achievement, school and community activities, and career goals and objectives. Financial need will not be a consideration in the selection process. The scholarship(s) will be awarded based on merit for those who qualify.

The selection committee may use the following criteria for selecting recipients:

- Transcript grades
- School and community activities
- Career goals and objectives
- Letter of reference
- Completeness and effectiveness of the application

Obligation of Scholarship Winners

Enroll as a student in a course of study leading to a bachelor's degree or an associate's degree and complete sufficient course hours each grading period to maintain status as defined by the institution.
